Name of second executive branch agency from which compensation is received:

Iowa Communications Network (ICN)

Amount of compensation to be received from second executive branch agency:

Twenty-five percent of existing salary and benefits will be paid by the ICN.

Please provide a brief explanation of what services are to be performed for the second executive branch agency:

The Iowa Department of Administrative Services/Information Technology Enterprise and the Iowa Communications Network have entered into an employee sharing agreement (28D) with me to provide administrative support for John Gillispie who serves in dual roles as the Chief Operating Officer of the Information Technology Enterprise and the Executive Director of the Iowa Communications Network. Due to the unique demands placed upon Mr. Gillispie, having one administrative assistant who can coordinate and track activities at either office is preferable to dividing the work between two people.
